Do you find parts of the Haggadah to be confusing and difficult to follow?

The Haggadah is one of the most commonly read Jewish texts, but it can be perplexing to decode its style, message and underlying patterns.

This class will convey the fundamental "order" (which is the meaning of the word "Seder") of the texts and rituals of the Haggadah, making everything clear and comprehensible in time for your Pesach Seder!

Impress and inspire your Seder guests or hosts with your erudition.  
 Hope to see you there!
